CONFIDENTIALITY

Southern Logistics Group, L.L.C. (SLG) agrees to hold in the strictest confidence any and all tariffs, tenders, contracts, rate agreements, pricing and general information disclosed by the Client. Additionally, the Client agrees to hold in the strictest confidence any and all information provided by SLG to the Client to include any and all types of analysis, freight rate comparisons and estimated savings rates.

Copies of tariffs and freight bills can be provided to SLG by the Client in accordance with the Code of Federal Regulations, Title 49 CFR1312.13, Furnishing copies of tariff publications. These documents are used solely for the purpose of identifying information such as average weight per shipment, average shipments per month, freight classifications, discounts, inbound and outbound shipping points, surcharges, product pricing and other important information absolutely necessary to negotiate rates with Less than Truckload carriers and to establish cost benchmarks.

SLG will not contact or negotiate with any LTL carrier until the client has signed a Transportation Freight Negotiations/Consulting Services Agreement and Benchmark.

At no time will SLG allow any other company, carrier or persons access to a Client's freight/product pricing information nor will the Client allow any other company, carrier or persons access to SLGs information without written permission.
